Supported by:
Department for Education

autism education trust
early years programme

extending and enhancing good autism practice

Half Day

Build on the learning developed through 'good autism practice' by deepening your understanding of autism and the implications for practice.

Who is this training for?

This training is for practitioners working directly with children. This includes:

- childminders
- nursery nurses/assistants
- teachers
- Sencos

What will you learn?

- To extend and enhance your knowledge and understanding of good autism practice.
- To reflect on your own practice and share this more widely across settings or with partners i.e., families and other professionals.
- To develop understanding of the graduated approach and how this can support children on the autism spectrum.

- Developed by leading autism specialists
- Up to date with the latest research
- Enhances your CPD
- Case studies
- Practical strategies

Cost £50 per person
