What are Autism Hubs?

Gateshead Autism Hubs offer parents and carers of autistic children and young people (0-25 years) information, advice and support on a range of challenges that can impact autistic young people and their families. The Hubs provide multi-agency drop-in sessions, parent support groups, and training for parents, carers. The Hubs can also offer information and signposting on related co- occurring conditions, such as: FASD, ADHD, Sensory Differences, Social and Communication Differences, Mental Health, and Learning Disabilities. Gateshead Autism Hubs are free to access for parents and carers.

An autism diagnosis is not required to access support.

What can I expect?

Once we receive your referral, a member of our admin team will be in touch to register you. They will provide you with all the information about aspects of the service you can access, including drop in sessions available across Gateshead. You can view information for all drop-in sessions on our website, just scan the QR code. We always enjoy meeting parents/carers. Attendees of our drop ins often feedback that it's a great place to feel heard and supported by other parents/carers who understand. Our Autism Hubs Facilitator Alex, will always be there to lead the session.

Types of support on offer

We provide a range of parent/carer support sessions including multi-agency drop-ins, peer support groups and learning opportunities across Gateshead.

All times can be found on our website or Facebook page.
